AIC(V) is seeking artists and artswomen who would like to contribute to debate and discussion about future directions & priorities for the arts sector to inform government policy & programs. Ideas generated by this meeting will form the backbone of a report to state government recommending new programs and initiatives. Arts Victoria has provided limited funding for this event and the door is open to inform the "refresh" of the state's arts policy, "Creative Capacity +"

This THINK TANK will be facilitated by three specialist facilitators with a

love and passion for arts, led by Christopher Bell from the Leadership Consortium. It will be run as a strategic planning session, with group discussion and small focus groups for planning.

WHO SHOULD COME?

Artists, artswriters or anyone from the creative sector who has ideas or would like to get new ideas on the agenda.

REGIONAL TRAVEL SUBSIDY

Because we don't have resources to deliver a range of events throughout Victoria, we are keen to have involvement from artswriters in regional Victoria. We have limited funds for travel subsidies if this will assist you to attend this event.

If you cannot attend this event, but would like to contribute in some way, please also respond to this email.

REFRESHMENTS WILL BE PROVIDED

Yours,

Kevin Brennan
